Corporate Can Contest:

This year's Food Drive offered a great prize package for the company who brought the most cans to this year's event.

We have a winner of the Can Collection Contest!
Congratulations to The McCart Group for bringing 536 cans to donate to the Atlanta Community Food Bank. Thanks to all who participated.

"I cannot even begin to express how grateful the Atlanta Community Food Bank is for the Kaiser Permanente Corporate Run/Walk's support of our mission to provide critical resources for low-income Georgians who suffer from hunger and food insecurity," stated Bill Bolling, founder and executive director of the Atlanta Community Food Bank. "The food collected and money donated from the Corporate Run/Walk will significantly improve the quality of life of Atlanta's neediest residents, including children, by helping to ensure their basic nutritional needs are met. As a result, we feel our organization, along with the Atlanta Braves Foundation, is the true winner of this wonderful event."
