McCart Insurance Holds Strong in Gwinnett Celebrating 40 Years in Business

Duluth, Georgia, August 11, 2011 – This year, the successful team of more than 100 McCart Insurance employees is celebrating 40 years of service to Gwinnett County businesses and many other companies throughout Georgia. Located at Satellite Blvd. and Duluth Highway 120, the firm has remained steadfast as a fixture for Commercial and Group Benefit Insurance Services since 1971.

With a history of consistent growth and profitability, The McCart Group has remained independently-owned with no debt obligations, which has afforded the firm many opportunities even during this economically challenging time for businesses across America. McCart has been able to retain a dedicated staff of loyal professionals with expertise across a variety of industries, allowing for ongoing expansion and depth of the firm's service offerings, from Benefits and Payroll Administration to world-class Risk Control and Safety Services.

While exploring opportunities for future growth in the areas of personal risk management for high net worth individuals and 401(K) plan management, The McCart Group continues to remain actively involved in the Gwinnett County community. Many McCart employees work throughout the year to strengthen our local charities, organizations and foundations through participation and leadership. Volunteering hundreds of hours, we have served boards, councils and committees; provided professional and financial support; and hosted or sponsored events for a variety of causes.

The McCart Group team looks forward to celebrating its 40 year anniversary in October at the Gwinnett County Chamber of Commerce 1818 Club.
