FOR IMMEDIATE RELEASE

The McCart Group Selected to Represent Southeast in World Broker Network (WBN)

Duluth, Georgia, January 31, 2011 – Increasing our capacity to service clients with international operations, [The McCart Group](#) now represents the southeastern United States in the prestigious [World Broker Network \(WBN\)](#), alongside many other experienced and respected insurance brokers from around the world.

As one of the largest, independent insurance brokers in the southeast and with our increasing presence in the global market, The McCart Group was selected by the WBN based on level of expertise and our efficient and cost-effective risk management and insurance programs for both property & casualty and group health coverage.

The WBN is one of the world's largest organizations of privately held insurance brokers that, through collaborative expertise, is able to help clients insure their business entities in foreign countries with a real local understanding of corporate insurance requirements and regulations in every part of the world.
